

2024 Program
Katherine Rural Campus

OPEN DAY

Saturday 25 May | 9am – 1pm

Learn something new

Welcome to the Charles Darwin University Katherine Rural campus. Explore the facilities, take part in free workshops and activities, and get a glimpse of life as a student.

The Katherine Rural campus spans more than 4,400 hectares including purpose-built training facilities for building local skills and business capability and working cattle and farm operations.

You can study a range of TAFE courses on campus or select from any of the courses that CDU offer online and access the Katherine Town Centre campus facilities as a base for your studies.
