

Welcome to the Desert Lantern Restaurant, a training facility for hospitality and cookery students of all ages. We aim to provide our students with high-quality skills training that prepares them for the real world. The training gives our students the confidence to succeed and nationally recognised qualifications which provides them with essential employment credentials.

Our focus is on student outcomes, so our course lecturers may need to correct students as situations arise. We appreciate your patience and understanding and welcome any positive and supportive comments you may have on the comment cards provided on your table. Your feedback is valuable and helps us improve the confidence of our students.

We strive to provide a safe and welcoming environment for all our students and staff. To maintain this, we do not tolerate any form of inappropriate behaviour. We kindly request that you treat our students and staff courteously and respectfully.

Thank you for your support and patronage of the Desert Lantern Restaurant.
