

# Wireless Presenter

## Wireless Presentation

The audio-visual system is equipped with a wireless presenter to allow the user to present using a wireless laptop computer.

## Downloading Wireless Presenter Software (only required the first time)

1. Ensure connection to the CDU Wireless network.
2. Start -> **All Programs** -> **Install CDU Software**
3. Highlight -> **Wireless Presenter – Manual Install**
4. Select -> **Run**
5. Setup Select -> **Next**
6. Installation wizard runs
7. The Login page displays
8. **Server IP** Field -> Input the IP Address of the projector displayed on the image of the whiteboard.
9. **Login Code** -> as displayed in the top left corner of the image displayed on the whiteboard.
10. Press the **OK** icon and the content should display on the screen.

If you have previously installed Wireless Presenter on your device complete the following:-

1. Select the **WPS** icon from your desktop
2. Complete the above steps from **7-10**
