Academic Assessments

During this placement, Pre-service Teachers will collect evidence and undertake reflections that demonstrate their understanding of specific focus areas of the Australian Professional Standards for Teachers (graduate). This Pebble Pad (found in your CDU Portal) task is designed to support Pre-service Teachers to systematically reflect on their learning and capacity to integrate knowledge and skills developed in units studied as part of their course learning and work as a teacher. Reflection is a professional requirement undertaken throughout a person's teaching career. As with all reflections, Pre-service Teachers need to consider what theory informs practice.
